

**Jim Hickin**  
**President**

*Thanksgiving.* As I write this, we're getting ready to celebrate the Thanksgiving holiday with family, turkey, football, and maybe a little shopping. As I look back on this year, I can tell you the Delaware Aviation Hall of Fame has much to be thankful for. Each year, we honor several Delawareans who have made outstanding contributions to the advancement of aviation in Delaware or exhibited gallantry in aviation while serving our nation or State. This year, we enshrined seven individuals in the Hall of Fame at our annual Honors Banquet in September. We are thankful for their contributions and accomplishments.

As president, I am thankful for the Trustees that serve the Delaware Aviation Hall of Fame. Without their efforts and sacrifices, it would be impossible to honor the men and women who have contributed so much to Delaware's

aviation history. Trustees serve voluntarily and take time away from busy lives to participate on the Board. Thank you to my fellow Trustees, especially Joe Melloy, who will be leaving the Board at the end of the year.

As we look back on this year, we look forward to another year of identifying and honoring Delawareans for their aviation accomplishments. However, we rely on the public to nominate outstanding Delawareans. If you know someone worthy of this honor, please let us know. You can visit our website at [www.dahf.org](http://www.dahf.org) for details on submitting a nomination.

Thank you for your support of the Delaware Aviation Hall of Fame. Have a safe and happy holiday season.
